

About the Urban Green Development Sustainable Scholarship Foundation:

The mission of the foundation is to support an annual scholarship to North High School students wishing to pursue careers in the “green” and sustainable industries. For the Scholarship year 2011-2012, the funds will be raised through the construction of a LEED Platinum-certified single-family show home. Located at 3310 Shoshone St., the Denver Green Cube Show Home is scheduled for completion in August 2011 and was built by Urban Green Development, which specializes in building modern, energy-efficient homes. The show home will raise funds for the North High Scholarship Foundation while educating attendees about affordable, sustainable building through tours, open houses, seminars, and special events.

The Urban Green Development Sustainable Scholarship Foundation recipient will be decided by the board and principles of Urban Green Development. The selection process will consist of the board members and principles evaluation of applications completed from the qualified students.

Application Process: Qualified candidates will complete a three-page essay describing a green built community or home using the most current technology and information available to the building and development community. Essay shall include specific description and diagrams as needed. Points will be given to innovation and forward-thinking technologies. Urban Green Development will make special consideration to designs and ideals that could be implemented in their own building practices. Those candidates would be finalists that would go in front of the board for consideration.

Finalist shall receive all monies donated to the Urban Green Development Sustainable Scholarship Fund from the Green Cube Show home including but not limited to ticket sales to 18 events, 4 marquee events and 12 minor events. Including the Opening Night VIP Gala, Eco Chic Fashion Show, Wine and Food Pairings, many “Meet the pro’s” events such as Solar 101, Composting, Book Signings, any and all cash donations, and percentage of sales price to be given by Urban Green Development.

***Qualified Students Include:**

- 1. Students reaching GPA qualifications**
- 2. Students able to provide a letter of recommendation from current teacher, principal, counselor from North High School**

All checks made payable to:

North Side High Alumni Association

2690 N Speer Blvd

Denver CO 80211
